SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection: ONAP Training and Technical Assistance Evaluation Form.

OMB Approval Number: 2577-0291.

Type of Request: Reinstatement without change.

Form Number: Form HUD-5879.

Description of the need for the information and proposed use: The Native American Housing Assistance and Self-Determination Act (NAHASDA) authorizes funding for the Indian Housing Block Grant (IHBG) program that supports the development, management, and operation of affordable homeownership and rental housing and other forms of housing assistance for low-income persons in Indian areas. Federally-recognized Native American tribes and Alaska Native villages, tribally-designated housing entities, and State-recognized tribes formerly eligible under the U.S. Housing Act of 1937 are eligible to receive IHBG funds.

HUD's Office of Native American Programs (ONAP) administers the IHBG program and offers contracted training and technical assistance to IHBG recipients on program requirements. ONAP's Notice of Funding Opportunity for training and technical assistance services includes the requirement for the contractor(s) to use an OMB-approved evaluation form at all ONAP-sponsored events. At the end of each training and technical assistance event, participants are invited to voluntarily complete the Training and Technical Assistance Evaluation Form (form HUD-5879) to assess training and technical assistance effectiveness and solicit ideas for improvement. Form HUD-5879 is a two-page survey instrument and does not collect any personally identifiable information, including a participant's name.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35.
